

Mushy the mushroom orders a sandwich.

We open on Mushy the mushroom walking into a Subway.

Subway employee: What kind of sandwich would you like?

Mushy: Ummm....a 6-inch veggie on wheat.

Subway employee: K, what type of cheese?

Mushy: American

Subway employee: and what kinda vegetables?

Mushy: Everything except mushrooms.

Subway employee: ok...so you want mushrooms?

Mushy: What? No! No mushrooms, dear God, that'd be horrible.

(awkward pause)

Mushy: Well...what kind of mushrooms are they?

Subway employee: I dunno, button, I think.

Mushy: Oh yeah, load em on. Fuck those guys.
